

## 2022 SBME Synergy Summer Studentship Award Requirements & Conditions

The SBME Synergy Summer Studentship Program is a terrific opportunity to get hands-on research experience, be exposed to a wide range of biomedical disciplines and technologies, develop transferable skills, and gain insights into career options. It is also a chance to meet people with varied backgrounds and experiences, at all levels of training.

This award is highly competitive. Those who accept the award are expected to participate in all aspects of the program.

To accept the award, you must agree to the following:

- i. I am currently an undergraduate or medical student registered at a recognized university.
- ii. I will work under the supervision of a DMCBH, CBR, ICORD, GSAT, or SBME Principal Investigator (PI), Research Associate (RA), or Postdoctoral Fellow (PDF) over the summer period (May 2, 2022 to August 26, 2022). My PI has agreed to contribute 40% of the award funding.
- iii. I will not hold any other awards during the tenure of the SBME Summer Studentship Program.
- iv. If I am conducting research in-person, I will abide by my workplace COVID-19 safety policies.**
- v. I will present my research work-in-progress at the SBME Synergy Research Day symposium (date TBD).
- vi. I will participate in all Synergy-organized summer events and my PI will ensure that time is available to attend or complete the following (details to follow):
  - Social events (e.g., Orientation & Welcome Event)
  - Career development events (e.g., Career Exploration Panel)
  - Research skills sessions (e.g., Science Communication)
  - A written report that includes a summary of my research project, a reflection of my Program experience, and an assessment of the overall Program. I will submit this to the Program Manager before August 27, 2022.
  - An end-of-program online survey before August 27, 2022.
- vii. If I am unable to attend any event, I will let the Program Manager know as soon as possible.

I understand that failure to adhere to this agreement will jeopardize payment of the award.

Student End Date: \_\_\_\_\_

## **APPLICATION REQUIREMENTS:**

**The following documentation needs to be uploaded before March 18th, 2022. Please upload the following documents:**

- i. On a single letter-size page, with font equivalent to or greater than Times New Roman size 11, the PI/RA/PDF should provide a brief description of the project, who will supervise the student, how the student will participate, and what the student is likely to accomplish in terms of knowledge and skills. For projects that are intended to be conducted in-person, please also provide a back-up remote project plan (one page maximum) should workplace COVID-19 safety policies change during the Program and in-person research is no longer feasible.
- ii. The student's resume (2 pages maximum) that includes all contact information must be attached.
- iii. The student, PDF/RA (if applicable), and PI must sign the award conditions agreement (below) to participate in SBME summer events.
